

ACCELERATING RESPONSES TO CHALLENGES THROUGH INNOVATION

The complex and multifaceted nature of the challenge of population aging requires a multistakeholder approach.

Join us for a lively panel discussion to explore ways to enhance cross-border, cross-sectoral cooperation—including public-private cooperation—to facilitate healthy and active aging and address the rising needs of elderly care, through groundbreaking innovations and community-based approaches from Japan and Thailand.

Tuesday, 27 November 2018 | 12:00-13:00
